

Caliber® MD 250 Compact

Premium Oilfield Technologies offers a complete line of centrifugal pumps that are manufactured to OEM specifications and interchangeability. Ours are machined to precise engineering tolerances.

Caliber® MD 118

Caliber® MD 250 Compact

Caliber® MD 118 Direct Drive

Caliber® MD 178

Caliber® MD 250

Caliber® MD 250 Compact

Premium Oilfield Technologies Caliber® centrifugal pumps incorporate field proven designs and updated technology to extend service life and reduce downtime during drilling operations.

Features and Benefits Include:

- Cooling fins added to frame help disperse heat and extend bearing and packing life
- Optional retaining ring to secure inboard bearing
- Open impeller design to maximize flow
- Concentric casing design minimizes turbulence
- Replaceable shaft sleeve to absorb wear and extend shaft life
- Long life mechanical seals
- Oil bath option available
