

# Premium Canrig Top Drive Parts

Premium Oilfield Technologies is the recognized global leader in providing quality OEM top drive spare parts. We offer real solutions for Canrig top drives by manufacturing API certified parts while stocking those critical parts in our inventory. Ready when you need us!

## IMMEDIATE PARTS AVAILABILITY

No more delays! We have an extensive inventory of Canrig and other OEM top drive parts. Reduce downtime and keep your operations running smoothly.

## API LICENSED MANUFACTURING

All parts are manufactured in accordance with Premium Oilfield Technologies' API licenses, ensuring the highest industry standards for quality and safety.

## PARTS COMPATIBILITY

Our parts are engineered to match OEM specifications and meet OEM standards, ensuring perfect fit and performance for all Canrig top drives.

## RELIABLE SERVICE AND FIELD SUPPORT

Our team of certified technicians are available 24/7 to ensure your equipment is running at peak performance. We provide expert troubleshooting, repairs, and preventive maintenance.

## DYNO Test! Offered at Houston & Dubai Repair Facilities

Optimize equipment efficiency by DYNO testing your equipment for the most demanding drilling conditions. Premium's DYNO test measures the full torque, RPM, and load capacity of your top drive, identifying any potential issues before they cause downtime.

**Contact the Drilling Equipment and Support Division for immediate parts and testing availability at 281-670-5200.**
